## ABOUT TOWN.

Fireworks just received by Mrs. C. Dreyfus.

The Fourth of July is coming. Mrs. Dreyfus has all kinds of fireworks.

Many a man gets the living he thinks the world owes him by advertising for it.

A regular meeting of the Knights of Honor lodge takes place tonight at 7:30. All members requested to attend.

A large assortment of typewriter paper, letter and bill heads and all colored blotters just received at THE HERALD office.

It has been a saying in Brownsville that it always rains here on St. John's day, but yesterday passed without that blessing being bestowed upon us.

The Knights of Honor lodge of Brownsville has received and paid to Mrs. L. C. Martinez a check for \$2000, the amount of her late husband's insurance in that order.

Antonia Yzaguirre, one of the smallpox cases, died at the hospital camp this morning, and was buried as soon as possible, Dr. Combe himself superintending the burial. This was the first case, and was brought to town from San Rafael ranch.

It seems THE HERALD was misinformed regarding the reported killing of a Mexican soldier in Matamoros Sunday, as the man was not killed, though very badly wounded in the abdomen. His assailant, it is also stated, was not another soldier, though he was formerly one, but is now a tanner. He afterwards escaped to this side, and the wounded man was taken to the hospital.

On the night of the 19th. inst. an ox was stolen from Tomas Vasquez five miles below town. The ox was recovered in Matamoros, and the parties alleged to have committed the theft were arrested nine miles from Brownsville by Deputy Sheriff Gen. Connor.

The pleasure boat Camilla was sold here this week by Capt. C. L. Heath to Hon. R. B. Renfro, of Brownsville, for \$425. Capt. Laroche leaving here Tuesday evening with the vessel for Point Isabel. This leaves the Folly as the chief pleasure boat in these waters, in fact she is hard to beat anywhere as a pleasure yacht.—Corpus Christi Caller.

## BEWARE OF YOUR HEALTH

Girls, Maidens, Mothers, Women of Middle Age; heed even the little warnings, never neglect one sign of weakness, one evidence of coming disease. One bottle of G. F. P. often cures, a few bottles always will.

WHAT ONE WOMAN WRITES:  
I wish to say a few words in regard to your G. F. P. I have only used one bottle of this wonderful remedy and feel better than I have felt in three years, and will continue until I am entirely cured. I have seen so many wonderful cures that it has effected, that I now feel that I cannot do without it.  
ANNIE HAWES, Sassy, Ga.

More than 100,000 women have voluntarily testified to cures by G. F. P. (Gerstle's Female Panacea) of Ovarian troubles, Prolapsus, Whites, Tumors, Painful, Irregular, Profuse and Scanty Menses and in fact, all manner of Female Diseases.

### "A Flower of the Tropics"

The above is the title of a collection of stories of Mexican life, written by Warner P. Sutton, formerly U. S. consul general in Northern Mexico, who was at one time stationed in Matamoros. The work is very favorably reviewed, faithful to Mexican life, being described as "very pleasant stories of life in Mexico and of a romantic tinge." Mr. Sutton is well remembered on this frontier, and doubtless his work will be enjoyed by readers in this section.

### Twentieth Century Medicine.

Cascarets Candy Cathartic are as far ahead of ancient pill poisons and liquid physic as the electric light of the tallow candle. Genuine stamped C. C. C. Never sold in bulk. All druggists, 10c.

The commencement exercises of the Brownsville High school, which were to have been held tonight, will not take place, for the same reason that the public school closing exercises were omitted on account of the existence of smallpox in town. Although the disease seems entirely under control, and no new cases have occurred since last week, yet the school board deemed it wiser to omit the exercises. The awarding of diplomas and medals to the graduating class has not yet taken place, because neither the diplomas nor the medals have been received. The awards will be made later.

INDIGESTION, resulting from weakness of the stomach, is relieved by Hood's Sarsaparilla, the great stomach tonic and cure for DYSPEPSIA.

### Convicts from Matamoros.

Several days ago a batch of eighteen convicts left Matamoros, under escort of soldiers, for the penitentiary at Victoria, Tam., having been sentenced by district Judge Francisco Guerra of the former city to hard labor for terms ranging from six to ten years, for various crimes.

### Keep the Balance up.

It has been truthfully said that any disturbance of the even balance of health causes serious trouble. Nobody can be too careful to keep this balance up. When people begin to lose appetite, or to get tired easily, the least imprudence brings on sickness, weakness, or debility. The system needs a tonic, craves it, and should not be denied it; and the best tonic of which we have any knowledge is Hood's Sarsaparilla. What this medicine has done in keeping healthy people healthy, in keeping up the even balance of health, gives it the same distinction as a preventive that it enjoys as a cure. Its early use has illustrated the wisdom of the old saying that a witch in time saves nine. Take Hood's for appetite, strength, and endurance.
